**MEMORANDUM & ORDER APPROVING FOURTH SET OF INADMISSIBILITY
DECISIONS: 32 INADMISSIBILITY DECISIONS CERTIFIED BY THE CLAIMS
RESOLUTION TRIBUNAL**

KORMAN, C.J.:

As provided under the Settlement Agreement, and in accordance with the procedures established in the December 8, 2000 Memorandum & Order and in the Plan of Allocation and Distribution of Settlement Proceeds (Distribution Plan), Special Master Helen B. Junz, appointed by the Court to supervise the Claims Resolution Process with Special Master Michael Bradfield, is hereby requesting the Court's approval, pursuant to Article 31(2) of the Rules Governing the Claims Resolution Process, as amended (the "Rules"), of 32 Inadmissibility Decisions listed in Annex A to this Order, which have been certified as inadmissible by the Claims Resolution Tribunal (the "CRT").

The CRT operates under the authority and supervision of this Court for the purpose of analyzing the claims submitted under the Settlement Agreement by members of the Deposited Assets Class. The Settlement Agreement defines the Deposited Assets Class as "*Victims or Targets of Nazi Persecution* and their heirs, successors, administrators, executors, affiliates, and assigns who have or at any time have asserted, assert, or may in the future seek to assert Claims against any Releasee for relief of any kind whatsoever relating to or arising in any way from

Deposited Assets or any effort to recover Deposited Assets.” Settlement Agreement, Section 8.2(a) (emphasis added). The Settlement Agreement defines a “Victim or Target of Nazi Persecution” as “any person or entity persecuted or targeted for persecution by the Nazi regime because they were or were believed to be Jewish, Romani, Jehovah’s Witness, homosexual, or physically or mentally disabled or handicapped.” Settlement Agreement, Section 1. Amendment No. 2 to the Settlement Agreement further provides (at Section 3.15): “No claims resolution process established hereunder shall be empowered to act, or to provide information concerning any account, in connection with any claim by a person who is not a Victim or Target of Nazi Persecution, other than to reject the claim on such grounds.”

Therefore, neither this Court, nor the administrative agencies I have appointed to assist the Court and the Special Masters in implementing the Settlement Agreement and Distribution Plan, have jurisdiction to determine a claim against the Settlement Fund that does not belong to a “Victim or Target of Nazi Persecution.” In recognition of this limitation, the Court-approved CRT Rules, which govern the distribution of Deposited Assets, define a claim as “inadmissible” if the Claimant has failed plausibly to show that the person he or she believes to have owned the asset was a Victim or Target of Nazi Persecution as defined under the Settlement Agreement; i.e., someone who was or was believed to be Jewish, Romani, Jehovah’s Witness, homosexual or disabled. See CRT Rules, Article 18(2)(a). Annex A attached to this Order sets forth a list of 32 “Inadmissibility Decisions” certified as such by the CRT because the person that the claimant(s) believed to have owned the Deposited Assets (“Claimed Account Owner”) was not plausibly shown to have been a Victim or Target of Nazi Persecution.

Therefore, it is hereby

ORDERED that the 32 Inadmissibility Decisions listed in Annex A are hereby approved and shall be distributed to the relevant Claimants by the CRT.

It is further ordered that the CRT shall provide the Court with the name and address of every Claimant receiving an Inadmissibility Decision, which information shall be filed with the Court under seal.
